Thank you for your quick reply. Yes, you would change your dates, depending on how long you would need to sell enough tickets between November 29th and December 1st. As long as you don't start selling tickets until November 29th, you can choose what to do with your drawing date, whether to keep it or choose a different one. Please let us know what you decide and send our office a revised letter of your dates.

Thank you,

Kayla

Thank you! So, we would just have to change the date of when we would start to sell ticket and the day the winner would be drawn? Thanks, again!

Thank you for submitting your raffle request. Unfortunately, I did not receive your first email below. Even with the first email dating October 30th, this is not sufficient time given as it is required that you submit your raffle request with a 30-days' notice. This means the day we receive your request is when the 30 days starts before you may begin selling those raffle tickets. You could change the date of your ticket sales or hold a silent auction.

Please let us know what you decide to do and if you need any assistance.

Thank you,

Kayla

Hello, Kayla! We had been approved to hold a raffle last year, under Tigers 14U Softball and have changed softball clubs and moved up a division. We would like to hold the same raffle with all of the same criteria, just under a different club name. Attached is the letter asking for permission to hold the raffle. If you have any questions, please let me know. I look forward to hearing from you! Have a great day!

Thank you!
